MEMORANDUM FOR: Major General W. E. Todd, USAF  
Deputy Director, Joint Intelligence Group  
The Joint Staff

Thanks very much for sending over the papers relating to liaison between the State Department and yourself enclosed in your memorandum of 21 October 1948.

I had a fine trip to Europe, both pleasant, instructive, and profitable, and I brought back some things I should like to talk to Al and yourself about as soon as things get shaken down a bit.

H. H. HILLENKO THOR  
Rear Admiral, USN  
Director of Central  
Intelligence
